One Little Person Scholarship Application 2022

The One Little Person Scholarship Award was created in 2019 due to the burning passion of one little person, Miss Tobie Mitchell. Tobie Mitchell is an Oklahoma City native who knows all too well how significant one little person can be. Whether that significant person was a teacher, a friend, or even an absentee parent, one person can change the world (or someone's world). Using this scholarship, Tobie wants to change someone's world. Not only does Ms. Mitchell understand the importance of education, but she also understands the importance of someone believing in you when it is hard for you to believe in yourself.
